

## Rural Municipality of Leask No. 464 Dock Policy

The Rural Municipality of Leask No. 464 recognizes the need for a Dock Policy to be enacted within the RM of Leask. The RM of Leask acknowledges they do not have authority within the boundaries of the Martins Lake Regional Park, nor the Emerald Lake Regional Park.

No docks shall be erected:

- A) On any Municipal or Environmental Reserve without prior approval by resolution of the RM of Leask; or
- B) In front of a lakefront property without prior written permission of the lakefront property owner and accompanied with approval by resolution of the RM of Leask.
- C) Dock sites are for use by residents only of the lake subdivisions, these sites are not to be rented to non-residents at any time. The General Public may use the public docks provided for day use.
