

**RM OF LEASK NO 464**

**Policy Number**

**PUB-DUS-1**

**Title**

**DUST CONTROL**

**Page 1 of 1**

**Date Approved**

**July 13, 2016**

**Amended: June 13, 2018**

**Policy**

**The RM of Leask No. 464 will reimburse 50% of cost for dust control services to resident owners or authorized occupants of lands adjoining municipal roads where the residence is located for one application per year.**

**The resident must supply to the Administration a cost estimate for the dust control requested. Upon approval by Administration, the resident may proceed with the dust control on municipal roads on an area not to exceed 4.87 meters by 200 meters.**

**The resident will be responsible to flag the area.**

**It will be at the discretion of the Patrol Operator to grade over the area if it becomes potholed or washboard.**

**Purpose**

**To provide dust control services to residents if it is economically feasible.**

**Definition**

**Revisions**

**(for one application per year)**
