The surrounding municipalities have contracted a Management Company “Bolt from the Blue” to create and assist in implementing a Regional Emergency Management Services Team. This team will consist of individuals whom would assist their community should Emergency Event occur. The team will be led by a Regional EMO Coordinator; this individual would be fully trained in Incident Command Systems and Scene Management; Their role is to set up the command center with the assistance of a municipal Deputy EMO Coordinator.

The RM of Leask is seeking a person to fill this position, this person should ideally be a community member, knowledge of municipality and ability to bring together resources to assist in an EMO event. The Deputy EMO will be a paid position (at this time hours have not yet been established); and the municipality will be for all training costs associated with the position.

The immediate priority is to engage an individual and provide them with the knowledge base required to fill the position (education will be provided by SPSA and the Regional Coordinator.

Should someone be interested in this position please contact the municipal office and ask for Donna.
