

Help Us Build a Stronger Rink Community!

The Village of Leask is calling on community members to help establish a Rink Board. Our rink is a cherished space for winter fun, and the majority of its patrons come from the RM of Leask—so we're hoping to see strong local involvement!

To keep the rink operational this season, we need:

- A Rink Operator
- A dedicated Rink Board

If you're passionate about community recreation, we'd love for you to consider volunteering for the Board. And if you know someone who would be a great fit as Rink Operator, please reach out!
