# Need more hay or pasture?

## DUCKS UNLIMITED CANADA (DUC) HAS LAND TO HAY OR GRAZE IN YOUR RURAL MUNICIPALITY

Each summer, Ducks Unlimited Canada connects with Saskatchewan ranchers looking for additional hay or grazing through our hay tender program. Sound management of pastureland keeps forage stands healthy and vigorous, helps with weed control, and also maintains productive habitat for waterfowl and other wildlife. We make available over 65,000 acres of land to area producers through this annual program.

### DUK'S 2026 Hay Sales are now open!

Bids will be accepted until 12:00 p.m. CST on Friday, July 10, 2026, with access granted to successful applicants on or after July 15, 2026.
